

- a. Would like to see a report of narcotic use for the region (assessed quarterly)
- b. See if there are outliers (providers using narcotics too frequently or not at all)
- Discussed potential for regional drug and IV box exchange program to end
  - a. Would be detrimental to smaller agencies
  - b. Would make it more difficult to control which agency has specific medications (may purchase different medications from other agencies)
- NAEMSP Dinner meeting in San Diego – 1/9/2020
  - There will be a Virginia group – contact Dr. Martin for info
