As a result of today's monthly PPP meeting, a special meeting has been scheduled for Tuesday August 16, 2016 at 10:00 to discuss the draft uncomplicated delivery protocol. Several key points have come up during discussion of this protocol including delayed cord clamping, safe transport of the neonate and skin to skin contact. This meeting will provide the opportunity for everyone to voice the questions/concerns/input.

Teleconference will be available at <http://global.gotomeeting.com/join/906777917>
