

N95 Respiratory Fit Testing Train-the-Trainer Course

The Virginia Department of Health provides regional Respiratory Fit Testing Train-the-Trainer courses.

REGISTER ON <http://va.train.org/> (Course ID 1046592)

Course Duration: 2.5 Hours

The course purpose is to ensure that each health district and medical practice have qualified staff to provide respirator fit testing.

In addition, the attendee can train others in the proper procedures for fit testing. This training is for qualitative testing using a hood and not quantitative testing.

Locations:

June 30th, July 1st Department of Social Services (Fairfax)
July 2nd Harrisonburg Rescue Squad
July 7th Virginia Department of Emergency Management (Richmond)
July 8th Peninsula Health District
July 28th Far SW
July 29th Roanoke Valley Regional Fire-EMS

Advance Preparation:

Everyone that attends the Train-the-Trainer course needs to have:

1. Completed the OSHA Medical Questionnaire form -- <https://va.train.org/DesktopModules/Documents/ViewDocument.aspx?LcmsItemID=766>
2. Secure physicians or other licensed healthcare professional's signature on the Medical Recommendation form and bring it to the training -- <https://va.train.org/DesktopModules/Documents/ViewDocument.aspx?LcmsItemID=767>
3. Bring your N95 Fit Test Kit and N95 Respirator to training – [See an example](#)
