Dear Ms. Glover:

It is with pleasure that I notify you of the designation of the Peninsulas Emergency Medical Services (EMS) Council by the State Board of Health (Board).

A Designation Site Review Team visited the Peninsulas EMS Council on April 1, 2022. The team's report and the favorable recommendation of the Virginia Department of Health's Office of Emergency Medical Services (OEMS) were presented to the State Board of Health at their meeting on June 23, 2022. The Board unanimously approved the designation of the Peninsulas EMS Council.

The period of designation begins on July 1, 2022, and is for a term of three years or until such time as notified by me or my successor.

I commend your commitment to establishing your agency as a designated Regional EMS Council, and your commitment to providing excellent service to the EMS agencies and organizations in your designated service area.

Sincerely,
