Bedit will be presenting COVID-19 affects on EMS in PEMS Region. 	Attend VSSTF	J. Bedit/S. Watkins/Dr. Ramikrishnan/ 7/17/2020
Hospital Report	<ul style="list-style-type: none"> Stroke Data from July 1-September, 30 2020- Individual Reports: Attachment 1- PEMS Hospital Quarterly Report RRMC S. Watkins- Dr. Louka asked correlation 25% Endo intervention? Is there a higher percentage that are giving false RACE? Plans to look into. Patient Care documentation should state what gave the RACE #. Sentara Williamsburg B. Rowe. Riverside Walter Reed Hospital- S. Klink. Riverside Doctor's Hospital- C. Mitchell. BSHSI Mary Immaculate Hospital Due to the furloughs, numbers unable to be obtained. BSHSI Rappahannock General Hospital- Due to furloughs, numbers unable to be obtained. Sentara Careplex Hospital- S. Singalwitch. Riverside Tappahannock Hospital- No report. 	Report stroke data to PEMS prior to meetings.	All Hospitals/ January 2021
Old Business	<p>Riverside Telestroke trial has been postponed from June 2020. S. Watkins stated she is organizing meeting soon with PEMS and telestroke trial group in order to resume the initiation of the telestroke trial. Riverside Regional is working with their contract and have received 8 Ipads in order to move forward. Expansion possible once the year trial has completed and determined positive results in the measured areas. More to follow.</p> <p>Stroke Plan 30 minute hospital bypass discussion. Dr. Louka was in the MAC meeting and did not have a large turn-out. Email survey sent and obtaining final approval for next step to be brought to December MAC.</p> <p>Name/DOB Core Radio (O'Brien Gossage). Presented to MAC. Awaiting email survey sent out to approve by OMD's in the region then work on implementation.</p>	Implementation Telestroke Trial	Select agencies and RRMC/ January 2021
New Business	<p>Dr. Louka researching Imagetrend vs Epic and the transfer of data in order to gain information such as RACE scales uniformly across hospital systems. Will bring up to the State in order to see what can be done. VCU using Pulsara and Triage apps to help there.</p>	Investigate EMS documentation and relay to	All Stroke Committee/1-9-2021

Stroke Committee Meeting Minutes 10-08-20

	<p>Dr. Louka asked if attachments can be put in Imagetrend so that hospital HUB can see them? G. Samuels states that he sees EKGs there. Dr. Louka stated he will investigate with James City County.</p> <p>Hospital systems in PEMS are using EPIC and Dr. Louka is looking at what might be done to integrate into agencies. Agencies are using several systems such as Imagetrend basic, Imagetrend Elite agency owned, ESO. Some hospitals are still having data issues receiving from EPIC. Working with individual agencies to try and resolve.</p> <p>Dr. Ramakrishnan asked what might have been presented by O'Brien a few years ago and would like to see if that may help.</p> <p>Dr. Louka would like to get all on one system in order to receive data and plans to discuss with the state.</p>	hospitals in region	
Good of the Order	<p>Important Dates: CNU Lifelong Health Series-10-9-20 1100-1215 Dr. Ramakrishnan presenting.
