Report stroke data to PEMS prior to meetings.	All Hospitals/ April 2021
Old Business	<p>Riverside Telestroke trial has been postponed from June 2020. J. Bendit stated RRMC is organizing meeting soon with PEMS and telestroke trial group in order to resume the initiation of the telestroke trial. Riverside Regional is working with their contract and have received 8 Ipads in order to move forward. Expansion possible once the year trial has completed and determined positive results in the measured areas. Currently in contract modifications to move forward. More to follow.</p> <p>Stroke Plan 30 minute hospital bypass discussion. Dr. Louka was in the MAC meeting and did not have a large turn-out. Email survey sent and obtaining final approval for next step to be brought to December MAC. J. Bendit stated Stroke plan update to be rolled out with 2021 PEMS Protocol update.</p> <p>Name/DOB Core Radio (O'Brien Gossage). Presented to MAC. Awaiting email survey sent out to approve by OMD's in the region then work on implementation. J.</p>	Implementation Telestroke Trial	Select agencies and RRMC/ January 2021

Stroke Committee Meeting Minutes 10-08-20

	<p>Bendit stated Name/DOB Core Radio to be rolled out with 2021 PEMS Protocol update.</p> <p>Dr. Louka researching Imagetrend vs Epic and the transfer of data in order to gain information such as RACE scales uniformly across hospital systems. Will bring up to the State in order to see what can be done. VCU using Pulsara and Triage apps to help there.</p> <p>Hospital systems in PEMS are using EPIC and Dr. Louka is looking at what might be done to integrate into agencies. Agencies are using several systems such as Imagetrend basic, Imagetrend Elite agency owned, ESO. Some hospitals are still having data issues receiving from EPIC. Working with individual agencies to try and resolve.</p>		
New Business	<p>Alan Stillman (Kwikpoint Community Stroke Awareness) presentation.</p> <p>Imagetrend Stroke past medical history discussion. (M. Doak) Imagetrend has no user-friendly way to document appropriate past stroke history so the data can be relayed quickly and reports built from this. What drops down has no clear definition so that providers know exactly where to fill this information in. M. Doak asked to present this to the VAOEMS in order to update Imagetrend. Dr. Louka stated he would bring to the state MDA and that Imagetrend contract just renewed for 1 year and will be renewed again in July 2021. This would be a good time to ask for this type of updated. G. Samuels and M. Doak stated contract renewed for 1 year July 2020. J. Bendit stated D. Thomas is attending the VSSTF meeting and will bring this request to them as well.</p>		
Good of the Order	<p>Dr. Louka stated that the way PEMS has updated protocols will allow review from the committees. Updates for stroke data changes come from S. Craig at PEMS for your review.</p> <p><u>Important Dates:</u></p> <p>Riverside Neuro Interventional Case Reviews 1st Wednesday each month- postponed until after COVID-19 pandemic.</p> <p>Annual Hampton Roads Trauma Symposium April 16, 2021.</p> <p>RRMC Stroke Symposium June 2021</p> <p>Virginia EMS Symposium November 3-7, 2021.</p> <p>PEMS Annual Awards Ceremony at Busch Gardens May 2021</p> <p>When Things Go Right- None this quarter.</p>		
Next Meeting	Thursday, April 6th, 2021 at 1:00 p.m.		
Adjournment	Attendance verified and meeting motioned to adjourn by M. Smith second by G. Samuels. Meeting adjourned at 1:59 p.m.
